## **Discussion on May Show:**

Schedule is approved by nationals.

Judges are hired

Danyelle was asked to find a photographer for the show

Discussion on picking buckles for the Hi Pt awards. (Usher again, or use another company), Joni is checking with Molly's buckles for prices as another option.

For reserve Hi Point we have 10 frames left from last year, and we will pre purchase 10 gift cards so they can be handed out or easily mailed after the show.

## **Pacific Coast Pinto:**

Talked about JR/SR futurities. Working on cost and how futurities will run. Joni and Wendy will be attending OpTHA meeting and will see who from OpTHA wants to be on the PCP show committee, looking at possibly 28 futurities, that would run concurrent with regular classes.

Hi Pt and Reserve Hi Pt each show, but not buckles.

Nice Superhorse buckle for the combo winner of both shows will be issued.

Wendy handed out class list and asked for all to review and get back to her with any errors.

The idea of dropping dollar tag awards in class was discussed and will be brought up to the rest of the PCP board.
